

SAMPLE REPORT

Last Sale Report

A buyer-focused view of the target home's last registered sale, indexed market value, and asking-price risk before you decide what to bid.

TARGET ADDRESS Keizersgracht 177, 1016 DR Amsterdam Demo canal apartment	LAST SALE EUR 547.000 12 March 2020	CURRENT ASKING EUR 699.000 Entered by buyer
INDEXED VALUE EUR 685.000 +25.2% since last sale	SELLER PREMIUM +2.0% Asking vs indexed value	CONFIDENCE High 6 comparable sales used

Buyer verdict

The asking price sits slightly above the indexed value of the last sale. The premium is not extreme, but the bid should be checked against recent nearby sales before moving above the guide price.

Price movement since last sale

Metric	Value	Why it matters
Last registered sale	EUR 547.000	Kadaster sale on 12 March 2020.
Current asking price	EUR 699.000	Used to estimate seller price growth.
Increase since sale	EUR 152.000	Difference between sale price and asking price.
House growth	+27.8%	Raw growth since the property last changed hands.
Indexed market growth	+25.2%	CBS/Kadaster index applied to the last sale.
Asking premium	+2.0%	How far the asking price sits above indexed value.

SAMPLE REPORT

Last sale and indexed value

Field	Value	How it is used
Last sale date	12 March 2020	Shows when the seller bought the home.
Last sale price	EUR 547.000	Ground truth anchor from Kadaster.
Indexed value	EUR 685.000	CBS/Kadaster market movement applied to the last sale.
Current asking price	EUR 699.000	Compared against indexed value and local growth.

Seller intelligence

Signal	Value	Buyer meaning
Estimated seller gain	EUR 138.000	+25.2% indexed appreciation.
Seller premium	+2.0%	Asking price compared with indexed value.
Years held	6+ years	Normal tenure; no short-hold warning in this example.
Price verdict	Slight premium	Negotiate using indexed value as the first anchor.

Price assessment

Metric	Value	Why it matters
Value range low	EUR 630.200	Conservative estimate.
Balanced value	EUR 685.000	Indexed value used as the buyer anchor.
Value range high	EUR 739.800	Upper estimate before comparable-sale checks.
Asking premium	+2.0%	How much the seller is asking above indexed value.

Negotiation angle

Use the indexed value as a grounded anchor, then compare with the Sold Homes Benchmark report when you need recent local sale evidence for your offer ceiling.
